

Popular Complete Smart Series

Advanced Complete MathSmart is the extension of our comprehensive *Complete MathSmart*®. It is the ultimate workbook series that helps your child solve challenging word problems. Each book in this series is comprised of two sections: the basic problem-solving section and the critical-thinking section. Your child will have abundant practice on analyzing complex word problems, determining the appropriate methods required when approaching word problems, and presenting solutions in a logical way. Thorough step-by-step solutions are included in the answer key to help your child understand how to arrive at the correct answers. Through **Advanced Complete MathSmart**, your child will be well-equipped with the skills and strategies essential for tackling math problems at higher levels.

Grade 1	978-1-77149-199-0
