

Popular Canadian Curriculum Series

Canadian Curriculum (Kindergarten) – Math, English, and French

Available in **April 2018**

Popular Canadian Curriculum Series for Kindergarten is a curriculum-based activity book series that provides playful and engaging learning activities to help children in kindergarten grasp the basic concepts of Math, English, and French. Through a variety of fun activities including drawing, tracing, writing, matching, and cut-and-paste, children will build the essential fine motor skills and develop a positive learning habit for their future success.

Features:

- Canadian curriculum-based activities to prepare children for Kindergarten and help in their transition to Grade 1
- materials cover the basic concepts of Math, English, and French
- teaches students to practise fine motor skills
