

Biking – Seven Safety Rules to Remember

Cut and paste the pictures in the correct places.

1 Always wear a helmet that fits properly.

2 Don't wear headphones and listen to music while biking.

3 Be prepared to slow down to stop.

4 Keep hands on handlebars.

5 Make sure the brakes work well.

6 Make sure the tires are inflated.

7 Add light reflectors on the wheels and behind the seat.
