

The Beach

Nothing beats a day at the beach in the summer.

Swimming and jumping waves in the water, chasing seagulls, finding crabs in the sand, and playing with a beach ball are just a few of the many things you can do to have a fun-filled day at the beach.

Try writing in the sand or be creative by building sandcastles. Digging a big hole in the sand is also fun. You can also look for seashells and bring some home to make a collage. 

Go to the beach and heat up tons of summer fun with your family and friends!
