

A Pirate Adventure in Ottawa

Ottawa, Canada's capital city, is, as you know, home to the Parliament, our Prime Minister, and...pirates?!

Indeed, though they are not real pirates, the costumed and energetic crew of "Pirate Adventures" will give you a swashbuckling experience you'll never forget! Venture aboard their grand ship, and live the life of a pirate for a 75-minute sail along the Rideau Canal in Ottawa.

This is a journey of non-stop action and excitement! You will have the chance to read a treasure map, solve clues, and sing pirate songs. You will even be called upon to defend the ship from attackers with the water cannons on-board!

While the gentle summer breeze lifts the ship's sails, let this friendly band of pirates lead you on the adventure of a lifetime!
