

# A Hot-air Balloon Ride in Calgary

For a unique view of the city of Calgary, experience it from the sky by taking a hot-air balloon ride!

Many companies offer balloon rides to give passengers a bird's eye view of Calgary, Alberta. Watch as the colourful balloon is inflated to an enormous size. Then, hop into the basket and prepare for liftoff!

The feeling of soaring hundreds or even thousands of feet in the air is simply extraordinary. Many flights leave around sunrise or sunset, as the warm summer sun paints the sky and casts a soft glow over the surroundings. So take in the beauty of the landscape down below, try to spot some wildlife, or simply enjoy the tranquility of the ride as you drift into the horizon.
