

Looking for something new and exciting to do? Don't miss the event of the summer: the Casa Loma Renaissance Festival. This festival is held yearly in Toronto's magnificent castle, Casa Loma, over one weekend in July.

The sense of excitement and adventure can be felt as soon as you step onto the castle grounds, as you enter a re-created Renaissance village. Journey into the past and let your imagination soar, as you walk amongst lords and ladies in costume and as you watch the street entertainers – including singers, dancers, fire-eaters, and more! You can also catch a magic show or let the king's knights amaze you with their feats of valour in the jousting tournament.

The atmosphere in a Renaissance festival is truly wonderful. If you miss the one at Casa Loma, there are others you can choose from in different cities. Join the Renaissance fun this summer!

A Renaissance Festival in Casa Loma
