

Rock Climbing

Circle the correct words.

Stop the climb if you are
happy / scared.

I think I can reach
that one.

Plan each step carefully.
Never **move / stop** too
quickly.

Listen to / Ignore
the instructions at
all times.

Do not look too far down,
as it may make you
nervous / prudent.

Always keep your
climbing equipment
securely / randomly
fastened.

Wear shoes that **grip / slide** well.

Wear a **cap / helmet**
and make sure it is
secure.

Don't worry. You can
try putting your left hand
on the yellow one.
