

Getting Ready for an Overnight Camping Trip

Look at the picture to see what items can help keep you safe when you go camping. Circle the correct words to complete the sentences.

Wear sunglasses and a hat at all times. Apply sunscreen **frequently / rarely**.

Bring rain gear, like a raincoat or a folding **chair / umbrella**, with you.

Take some water and some **non-perishable / raw** food items with you.

Bring a **microphone / cellular phone** or walkie-talkie with you if you have one.

Keep a **map / postcard** of the campsite with you and let your parents keep one as well. Make sure your parents know where the campsite is.

Bring along your personal information, especially your **medical / educational** information.
